Explore the Newest Feature on Your Agent Portal: Announcements

We are always looking for new ways to innovate and enhance your experience with us. We are excited to share our latest update to your agent portal that is designed to keep you informed on the latest updates and alerts. Stay tuned we have more new features on the horizon.

The screenshot displays the LineUnderwriters Agent Portal interface. A notification window titled "Announcements" is open, showing a "Moratorium Alert" for Louisiana due to Tropical Storm Francine. The alert text states: "Moratorium Issued in Louisiana due to Tropical Storm Francine. Tropical Storm Francine is expected to strengthen and impact Louisiana later this week. Velocity Risk will issue a moratorium effective 9/10 at 8 am CDT for the following counties: Louisiana: Acadia, Allen, Ascension, Assumption, Beauregard, Calcasieu, Cameron...etc....". Below the text is a map showing the storm's path with time markers (7 AM Thu, 7 AM Fri, 7 AM Sat, 7 AM Sun, 7 AM Mon, 7 AM Tue, 7 AM Wed, 10 AM Mon). A callout box points to the "Minimize Alerts" button in the top right corner of the notification window. Another callout box points to a link at the bottom of the notification that says "More details on the Knowledge Center". A third callout box points to this link with the text "Click here to view full details on Bulletins page in the Knowledge Center". The background interface includes a "Policy Search" bar, a sidebar with navigation options like "Home", "Coastline E&S BOP", and "Knowledge Center", and a "Feedback" button on the right side.

Never miss an important update again! The Announcements feature will provide short snapshots of important announcements with a link to the Knowledge Center where you can access the full details. Announcements will appear front and center when you log in and can either be minimized to view later or marked as read so it doesn't appear again.

If you have any questions or need further assistance, please don't hesitate to give us a call. Our team is here to assist you. We will continue to work hard to be your carrier of choice for your coastal BOP risks.
