# Velocity Risk

## Small Commercial Update

### Introducing NEW Quick Reference Guides

Our new Quick Reference Guides (QRG) have been designed to provide an additional resource for Velocity product information. The guides have high-level summary by state to give you at-a-glance information on coverage limits, deductibles, and building guidelines. The QRGs are located in the [Velocity Knowledge Center](#). For detailed information please refer to our comprehensive Product Guide also located in the Velocity Knowledge Center. We hope you find these new QRGs helpful and we appreciate your continued partnership with Velocity.

Reminder: The Velocity Knowledge Center is your resource center for Velocity product and system information. Access the Knowledge Center via the [my.velocityrisk.com](https://my.velocityrisk.com) portal.
