Ready to Quote & Win?

Simply start generating eligible new business quotes* and watch your entries grow.

The more eligible quotes, the higher your chances of winning.

*Eligible quotes: For a quote to be deemed eligible it must meet our guidelines in the system, which generates a premium and you have the ability to bind the quote. For example, if an ineligible class of business such as a convenience store is quoted it would be a hard stop in our system and not generate a premium, nor have the ability to bind, thus not count toward a quote entry in the contest.

Important Dates:

- Contest period: January 1 to March 31, 2024
- Winners announced monthly

Stay tuned for regular updates and contest winners throughout the Quote & Win raffle. Make 2024 your year of success.

Best of luck!
