Velocity Risk

Faster, Easier Quote Previews in Velocity *Breeze*!

We're excited to introduce a brand-new feature on our Velocity *Breeze* platform that we think you are going to love! Based on your feedback, we have added the ability to quickly view price indications for both **All Perils** and **Wind Only** quotes right up front in our appetite checker tool Velocity *Breeze*. In just a few clicks you can now get a side-by-side price indication before finalizing the transaction.

- ✅ Instantly compare **All Perils vs. Wind Only** quotes
- ✅ One click to generate a quote directly from the indication
- ✅ Save time and streamline your workflow

We know how important speed and clarity are when quoting, and this update is another step toward making your quoting experience with Velocity more efficient.

After validating the risk is eligible, click the **Review Quote** button.
