Sharpening Our Focus, Expanding Your Opportunity

To help us continue to deliver quality coverage and sustainable growth we've made a few underwriting updates that reflect current market realities.

Effective immediately:

✨ **Roof Age:** Now accepting roofs up to 20 years old

✨ **Year Built:** Properties must be built 1950 or later (1961+ in Tri-County, Florida)

✨ **Construction Type:** Non-Combustible and Light Metal Frame must be built 1995 or later

These updates are part of our continued effort to support writing more of the right business together.
