A *Named Storm* Deductible applies as an aggregate percentage of the total of all Coverages (A, B, C and D) at the damaged location, on a per *occurrence* basis.

The *Named Storm* Deductible amount will be determined by multiplying the percentage in the Declarations by the aggregate sum of Coverage A, Coverage B, Coverage C and Coverage D values for each location as defined in the Building Details in the Declaration and applying the policy percentage for the *Named Storm* Deductible to that amount to determine the applicable deductible.

If two or more locations are indicated in the Declarations, then the applicable *Named Storm* Deductible will be applied separately at each location against the sum of all losses or damages incurred at each location on a per *occurrence* basis.

An All Other Wind and Hail Deductible will apply to all other wind and hail losses that are not caused by a *Named Storm*. The deductible will apply as stated in the declarations and will apply per *occurrence*. Only one All Other Wind and Hail Deductible will apply per *occurrence*.

An All Other Peril Deductible will apply if the covered perils are other than wind, hail, *flood* and / or *earthquake*. The All Other Peril Deductible applies per *occurrence*.

G. Policy Conditions

1. Assignment

You may not assign this policy without prior written consent from us.

2. Cancellation, Non-Renewal and Additions or Deletions

- a. If we do not receive the premium owed at policy issuance for this policy we may cancel the policy as of the policy's effective date and a cancellation notice will be issued. If this policy is cancelled back to the policy's date of inception, it means that no coverage will be afforded to anyone under the policy.
- b. This policy can be canceled by you by providing:
 - 1) An advanced written request for cancellation stating when the cancellation shall be effective; except that you may not cancel the policy back to the policy's effective date if the policy has been in effect for 60 days or more; and
 - 2) The original policy or a lost policyholder release signed by you or your legal representative; or
 - 3) Proof of a replacement policy with the request for cancellation if this policy's coverage is being replaced by another policy.
 - 4) Minimum earned premium may apply to policy cancellations, per Minimum Earned Premium Endorsement SMB 415.
- c. We may cancel this policy by giving you at least thirty (30) days written notice of cancellation for all cancellation reasons except non-payment of premium.
- d. We may cancel this policy by giving you at least ten (10) days written notice of cancellation for non-payment of premium that:
 - 1) Is due on an installment payment; or
 - 2) Becomes due and payable because of changes made to coverages or limits.
- e. Notwithstanding paragraph c. above, we may void this policy, meaning that coverage is cancelled as of the inception date of this policy, without providing advance notice if you or your representatives have concealed or misrepresented any material fact or circumstance, or made a material misstatement and/or a material misrepresentation when applying for this policy; and / or committed fraud, or false swearing as it relates to this policy. We may provide written notice if this policy is voided ab initio per the foregoing, but such notice shall not be required to be provided in advance of the void or cancellation effective date.
- f. The cancellation will be effective even if a refund has not been made or offered.
- g. If you cancel this policy, we will send you any premium refund due subject to any earned premium and fees provisions affixed to this policy.
- h. The policy may be non-renewed on the anniversary of the policy. This policy will be non-renewed by us, in compliance with state statutes controlling non-renewal, if applicable, and will include the reason for non-renewal. If there is no controlling law or regulation, the written non-renewal notice will be mailed at least thirty (30) days prior to the end of the policy period, and proof of mailing will be sufficient proof of notice of the non-renewal. If a notice conditioning renewal on changes to the offered limits, covered perils, premium, terms, conditions, and/or exclusions is sent, such notice shall not be deemed a non-renewal, unless that renewal is not accepted. If the conditional offer is not accepted, the policy will end, and all coverage cease at the expiration of the policy period. Failure to pay the premium applicable to any renewal term will mean that you have not accepted the renewal offer, and this policy will expire, and all coverage will cease at the end of the policy period. Proof of mailing of any cancellation and/or non-renewal notice mailed to any additional Insureds, loss payees, or mortgagee endorsed onto this policy shall be sufficient proof of notice.
- i. Expiration. This policy will automatically end, and all coverage cease at the expiration of the policy period if no offer to renew is extended or an offer to renew with changed, terms, coverage, premiums, or limits is not accepted.
- j. Additions and Deletions:

- 1) Coverage cannot be increased, nor additional *locations* added, if a *Named Storm* is in existence, unless with our express written consent.
- 2) Nothing will act to provide coverage for the Newly Acquired Property
 - a) beyond a period of sixty (60) days from the date of acquisition or lease of such property or
 - b) when we notify you that we will not bind the Newly Acquired policy.
- k. Proof of mailing will be sufficient proof of notice of cancellation.

3. Control of Property

Any act or neglect of any person other than you beyond your direction or control will not affect this insurance.

The breach of any condition of this policy at any one or more locations will not affect coverage at any *location* where, at the time of damage, the breach of condition does not exist.

4. Currency

Any amount of money specified in the policy, including Limits of Insurance, Deductibles and Premiums shall be in the currency of the United States of America.

5. Increase in Hazard

If the circumstances in which this insurance was entered shall be altered or if the risk shall be materially increased, you shall give us notice as soon as possible.

6. Inspection and Audit

You shall permit inspections of all Covered Property at reasonable times during this policy period. Neither the right to make inspections, nor making inspections nor any report on behalf of or your benefit or others, will warrant that such property is safe or healthful or that the operations comply with any law, rule, or regulation.

You shall also permit examination and audit of your books and records at any reasonable time during the policy period and within one year after the policy termination, if such examination and audit relate to the subject matter of this policy.

In the event that we obtain information, whether via inspection, audit, or any other means, regarding the risks insured under this policy that contradicts information provided to us when this policy was applied for, we may modify the terms of the policy, including the premium charged, based on such information.

7. Action Against Us

No person or organization may commence, cause to be commenced, or assert any action for arbitration against us unless:

- a. There has been full compliance with all terms and conditions of this Policy;
- b. Any action is brought within one (1) year after the date of the *occurrence* or event which occasioned the sudden and accidental direct physical loss or damage from a Covered Cause of Loss.
- c. Any action asserted that relates to an arbitration award is not subject to Subsection (b) of this provision. Such an action must be brought within 180 days of the final award being entered, but no sooner than 45 days after the final award is entered.
- d. In the event any part of this provision is considered unenforceable, invalid, or void, any action against us must be brought within the shortest limit of time permitted by the applicable statute of the state in which the loss occurred.

Nothing in this provision impacts your Duties in the Event of Damage, including, but not limited to, the duty to provide prompt notice of damage.

8. Location and Building Details

The *locations* and buildings, as provided by you at policy inception and each subsequent anniversary date of this policy, as listed on the Location and Building Detail, of the Declarations, shall consist 100% of the Property and Business Income Values for all insured *locations*.

Such values shall be reported separately for each *location*, with separate figures shown for each type of coverage at each *location*. The property values shall be shown on a *replacement cost* basis for property which is covered on a *replacement cost* basis and on an *actual cash value* basis for other property. The value of *stock* and supplies to be included in the property values shall be in accordance with the Loss Settlement Conditions clause contained in this policy and shall be based on the approximate average of the *stock* and supplies on hand during the twelve months immediately preceding the annual review of values. Business Income Values (if covered) shall be provided in accordance with the terms of the applicable Business Income Coverages provisions.

9. Misrepresentation and Fraud

This entire policy shall be void if you or your representative have

- a. concealed or misrepresented any material fact or circumstance; and / or
- b. made a material misstatement or a material misrepresentation when applying for this policy, committed fraud, or false swearing as it relates to this policy.

We are not required to provide you with advance notice that this policy has been voided.

10. No Benefit to Bailee

No person or organization, other than you, having custody of Covered Property will benefit from this insurance.

11. Other Insurance/ Excess Insurance / Underlying Insurance

If there is Other Insurance covering the same loss or damage insured under this policy, then this policy shall apply only as excess and in no event as contributory insurance (unless this policy is specifically written to be contributory insurance), and then only after all other insurance has been exhausted, whether or not such insurance is collectible, but in no case, more than the Sublimits or Limits of Insurance. Permission is granted for you to purchase Excess Insurance over the limits provided by this policy, and underlying insurance on all or any part of the Deductibles of this policy.

12. Reinstatement of Limits

Except for any Covered Cause of Loss which is subject to an annual aggregate limit or Sublimit of Insurance, payment of a claim will not reduce the amount payable under this policy for any subsequent covered loss.

13. Several Liability Clause

Our Limit of Insurance under this policy for covered losses is several and not joint with other insurers party to this contract. We are liable only for the proportion of insurance we have underwritten. We are not jointly liable for the proportion of insurance underwritten by any other insurer. Nor are we otherwise responsible for any liability of any other insurer that may underwrite this policy.

Our liability may not be increased if any other insurer or other party to this contract who for any reason does not satisfy all or part of its obligations.

14. Titles of Paragraphs

The titles of the various paragraphs of this policy (and of endorsements included in this policy) are solely for reference and shall not in any way affect the provisions to which they relate.

15. Vacancy

- a. Description of Terms

- 1) As used in this Vacancy Condition, the term building and the term vacant have the meanings set forth in (1)(a) and (1)(b) below:

- a) When this policy is issued to a tenant, and with respect to that tenant's interest in Covered Property, building means the unit or suite rented or leased to the tenant. Such building is vacant when it does not contain enough business personal property to conduct customary operations.
 - b) When this policy is issued to the owner or general lessee of a building, building means the entire building. Such building is vacant unless at least 31% of its total square footage is:
 - i. Rented to a lessee or sub lessee and used by the lessee or sub lessee to conduct its customary operations; and/or
 - ii. Used by the building owner to conduct customary operations.
- 2) Buildings under construction or renovation are not considered vacant.

b. Vacancy Provisions

If the building where loss or damage occurs has been vacant for more than 60 consecutive days before that loss or damage occurs:

- 1) We will not pay for any loss or damage caused by any of the following, even if they are Covered Causes of Loss:
 - a) Vandalism;
 - b) Sprinkler leakage, unless you have protected the system against freezing;
 - c) Building glass breakage;
 - d) Water damage;
 - e) Theft; and / or
 - f) Attempted theft.
- 2) With respect to Covered Causes of Loss other than those listed in the Vacancy Provisions paragraphs above, we will reduce the amount we would otherwise pay for the loss or damage by 15%.

H. Property Loss Conditions

The following Property Loss Conditions apply:

1. Abandonment

There can be no abandonment of any property to us.

2. Adjustment of Loss and Named Insured Clause

This policy contains all the agreements between you and us concerning the insurance afforded. The first Named Insured shown in the Declarations is authorized to make changes in the terms of this policy with our consent. This policy's terms can be amended or waived only by endorsement issued by us and made a part of this policy.

The first Named Insured shown in the Declarations is responsible for the payment of all premiums.

If this policy insures more than one entity, the First Named Insured is authorized to act on behalf of all other insureds with respect to their rights, obligations and duties under this policy. Payment of loss or return premium under this policy shall constitute payment under this policy with respect to all insureds.

3. Arbitration Agreement and Choice of Law

Any and all matters in difference between and/or among the Parties, as defined in this provision, in relation to this insurance, including, but not limited to, its formation, validity, and the arbitrability of any dispute, and whether arising during or after the period of this insurance, shall be referred to an Arbitration Tribunal in the manner hereinafter set out. A party must give advanced written notice to the other party of their intent to request arbitration of a matter in difference. This Agreement contains a delegation provision requiring the Arbitration Tribunal to resolve all issues arising out of, relating to,

involving, and/or resulting from this insurance, including, but not limited to, questions involving this agreement. It is the Parties' intent to delegate all issues to the Arbitration Tribunal.

1. This is an agreement to arbitrate (the "Agreement"). The Parties to the Agreement include the Insurers listed on the Policy's Declarations Pages (the "Insurers"), you, any insured, additional insureds, mortgagees, loss payees, assignees, lienholders, and/or any person and/or entity claiming rights and/or benefits related to the Policy (the "Parties"). This Agreement shall be considered a separate agreement that is enforceable, irrespective of any other provision contained in this Policy.
2. This Agreement governs the appointment of the Arbitration Tribunal. The Arbitration Tribunal shall consist of qualified and disinterested persons. The Arbitrators may not have any interest or claimed interest in the outcome of the arbitration, including any contingency interest or an assignment of any portion of the claim.

The Claimant (the party requesting arbitration) shall appoint his or her Arbitrator and give written notice thereof to the Respondent (the party receiving a request for arbitration). Within thirty (30) days of receiving such notice, the Respondent shall appoint his or her Arbitrator and give written notice of his or her selection to the Claimant. If the Respondent does not provide written notice of his or her Arbitrator within thirty (30) days of receiving the Claimant's notice, the Claimant may nominate an Arbitrator on behalf of the Respondent. The Arbitrators selected by the Parties must be currently or formerly employed in a senior position in insurance underwriting or claims at an insurer. The two Arbitrators shall then select an Umpire. The Umpire must be currently or formerly employed at an insurer as one of the following or an equivalent position: president, vice-president, assistant vice-president, general counsel, assistant general counsel, chief operating officer, or chief risk officer. If the two Arbitrators fail to agree on the selection of the Umpire within thirty (30) days of the appointment of the second named Arbitrator, each Arbitrator shall submit to the other a list of three Umpire candidates. Each Arbitrator shall then select one name from the list submitted by the other. The Umpire shall be selected from the two names chosen by a lot drawing procedure to be agreed upon by the Arbitrators.

The Arbitration Tribunal consists of the Umpire, the Claimant's selected Arbitrator, and the Respondent's selected Arbitrator.

3. The Arbitration Tribunal shall have the power to fix all procedural rules for the Arbitration, including discretionary power to make orders as to any matter which it may consider proper in the circumstances of the case with regard to pleadings, discovery, inspection of documents, examination of witnesses, and any other matter whatsoever relating to the conduct of the Arbitration. The Arbitration Panel may receive and act upon such evidence in its discretion, regardless of whether that evidence is oral or written or strictly admissible or not. The Arbitration Panel, in fixing the procedural rules for Arbitration, must ensure due process and that the Parties are able to fully present their claims and defenses at the arbitration hearing. The Arbitration Tribunal should initially meet with the Parties to discuss the procedural issues at an Organizational Meeting and should continue to meet with the Parties as needed to address procedural issues.
4. All aspects of the Arbitration shall be confidential, and the Parties and the Arbitrator's, the Umpire and the Arbitration Tribunal shall neither disclose nor permit the disclosure of any information related to the proceedings, including but not limited to discovery, testimony, evidence, briefs, decisions, and any award, except as the Arbitration Tribunal may authorize in writing. The Arbitration Tribunal shall only authorize disclosure of information to the extent disclosure is necessary to further the proceeding and/or to comply with applicable law. Any such authorization shall be as limited in scope as the Arbitration Tribunal deems practicable.
5. The seat of the Arbitration shall be in New York, and the final arbitration hearing shall be held in New York, unless some other location is agreed to by the Parties and the Arbitration Tribunal. The Arbitration Tribunal shall apply the law of New York when resolving all matters in difference between the Parties, regardless of the location of the Arbitration.

6. The Parties shall each bear their own costs, expenses and attorney's fees in any Arbitration proceeding. The Parties will also bear the costs of their own Arbitrator and will bear, jointly and equally with each other, the costs of the Umpire.
7. The award of the Arbitration Tribunal shall be in writing and binding upon the Parties, who covenant to carry out the same. Any valid award shall be paid within forty-five days of receiving the Arbitration Tribunal's written decision. If any Party fails to carry out any award within forty-five days (45), the other may apply for its enforcement as permitted by law.
8. All Insurers shall be included and participate in any Arbitration proceeding, including sharing the Insurers' portion of the arbitration costs. Further, irrespective of whom is sued and/or any purported waiver of claims, all Insurers shall have the right to participate in any litigation that relates to and/or concerns this Agreement, this Policy and/or the enforceability of any award issued by the Arbitration Tribunal. Nothing in this paragraph shall affect the Insurers' several liability for losses covered under this Policy.
9. The provisions in this Arbitration Agreement are severable, and if any portion is found to be unenforceable, the other paragraphs, or parts thereof, shall remain full, valid, and enforceable.

4. Brands and Labels

If branded or labeled merchandise covered by this policy is physically damaged and we elect to take all or any part of such merchandise at the value established by the terms of this policy, you may, at your own expense, stamp "SALVAGE" on the merchandise or its containers, or may remove or obliterate the brands or labels, if such stamp, removal or obliteration will not physically damage the merchandise. You must relabel the merchandise or containers in compliance with the requirements of law.

5. Control of Damaged Merchandise

Exercising reasonable discretion, you shall be the sole judge as to whether the goods involved in any loss under this policy are fit for normal intended use or consumption. No goods deemed by you to be unfit for consumption shall be sold or otherwise disposed of except by you or with your consent, but you shall allow us any salvage obtained by you on any sale or other disposition of such goods. You shall have full right to the possession of and retain control of all goods involved in any loss under this policy.

6. Divisible Contract

Subject to 16.c.17. Mortgage holders Section below, if the *locations* described in this policy include two or more buildings or the contents of two or more buildings, the breach of any condition of this policy in respect to any one or more of the buildings insured or containing the Covered Property, shall not prejudice the right to recover for physical damage occurring in any building insured or containing the Covered Property where, at the time of such damage, a breach of condition does not exist.

7. Duties in the Event of Damage

- a. You must see that the following are done in the event of damage to Covered Property:
 - 1) Notify the police if a law may have been broken.
 - 2) Give us prompt notice of the damage, including a description of the property involved.
 - 3) As soon as possible, give us a description of how, when and where the damage occurred.
 - 4) Take all reasonable steps to protect the Covered Property from further damage, mitigate additional losses (e.g. Business Income), and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Limit of Insurance. If feasible, set the damaged property aside and in the best possible order for examination. However, we will not pay for
 - a. any subsequent damage resulting from a cause of loss that is not a Covered Cause of Loss; and / or

- b. any expenses relating to inspection, testing, determining the Cause of Loss or extent of damage, engineers, or any other expense that is incurred without our prior written consent solely to protect Covered Property.
- 5) At our request, give us complete inventories of the damaged and undamaged property, including quantities, costs, values and amount of loss claimed.
- 6) As often as may be reasonably required, permit us to inspect the property proving the damage and examine your books and records.

Also, permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.
- 7) Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 90 days after our request and include the following:
 - a. The time and origin of the loss;
 - b. Your interest and the interest of all others in the property;
 - c. The value of each item determined in accordance with the Loss Settlement Conditions of this policy, the amount of loss, and all related encumbrances;
 - d. All other contracts of insurance, whether collectible or not, covering any of said property; and
 - e. Any changes in the title, use, occupation, *location*, possession, or exposures of Covered Property after the issuance of this policy, by whom and for what purpose any building described and the several parts were occupied at the time of loss, and whether or not it then stood on leased ground.
- 8) Cooperate with the Insurer(s) and any other person or persons designated by the Insurer(s) in the investigation, adjustment or settlement of any claim.
- b. We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.

8. Protection and Preservation of Property

In case of actual or imminent sudden and accidental direct physical damage by a Covered Cause of Loss, the expenses incurred by you in taking reasonable and necessary actions for the temporary protection and preservation of Covered Property shall be added to the total physical damage otherwise recoverable under this policy and be subject to the applicable Deductible, Sublimit of Insurance, and policy limit.

9. Recovered Property

If either you or we recover any property after loss settlement, that party must give the other prompt notice. At your option, the property will be returned to you. You must then return to us the amount we paid to you for the property. We will pay recovery expenses and the expenses to repair the recovered property, subject to the Limit of Insurance.

10. Salvage and Recoveries

All Business Income Values, *Replacement Cost* Basis, Recoveries and payments, excluding proceeds from subrogation and underlying insurance recovered or received prior to a loss settlement under this policy, shall reduce the loss accordingly.

11. Settlement of Claims

The amount of loss under this policy shall be payable within thirty (30) days after valid proof of loss is received, accepted, and ascertainment of the amount of loss is made either by agreement with you or an amount is determined by binding Arbitration in accordance with the provisions of this policy.

We shall have the option to take all or any part of the property at the agreed or arbitrated value, or to repair, rebuild or replace the property physically lost or damaged with other of like kind and quality, within a reasonable time, on giving notice of its intention to do so within sixty (60) days after receipt of the proof of loss required.

12. Subrogation

An assignment of all rights of recovery against any party for loss may be required from you to the extent that payment has been made, but the assignee shall not acquire any rights of recovery which you have expressly waived in writing prior to loss nor shall such waiver in writing affect your rights under this policy. We waive the rights of recovery against any Mortgagee listed on the Declaration. However, notwithstanding the foregoing, we shall be subrogated to all your rights of recover against:

- a. any Architect or Engineer, whether named as a Named Insured or not, for any damage arising out of the performance of professional services in their capacity as such and caused by an error, omission, deficiency or act of the Architect or Engineer, by any person employed by them or by any others for whose acts they are legally liable, and
- b. any manufacturer or supplier of machinery, equipment or other property, whether named as a Named Insured or not, for the cost of making good any damage which said party has agreed to make good under a guarantee or warranty, whether expressed or implied.

Any recovery as a result of subrogation proceedings arising out of an *occurrence*, after expenses incurred in such subrogation proceedings are deducted, shall accrue in the proportion that the Deductible amount and/or any provable uninsured loss amount bears to the entire provable loss amount.

You will cooperate with us and, upon our request, will:

- a. Attend hearings and trials; and
- b. Assist in effecting settlements, securing and giving evidence, obtaining the attendance of witnesses, and conducting suits.

13. Transfer of Rights of Recovery Against Others to Us

If any person or organization to or for whom we make payment under this policy has rights to recover damages from another, those rights are transferred to us to the extent of our payment. That person or organization must do everything necessary to secure our rights and must do nothing after loss to impair them. You may waive your rights against another party in writing:

- a. Prior to a loss to your Covered Property.
- b. After a loss to your Covered Property or Covered Income only if, at time of loss, that party is one of the following:
 - 1) Someone insured by this insurance;
 - 2) A business firm:
 - a) Owned or controlled by you; or
 - b) That owns or controls you; or
 - 3) Your tenant.

This will not restrict your insurance.

14. Undamaged Material

We will not pay to replace undamaged material due to mismatched material between undamaged material and new material used to repair or replace damaged material. We do not cover the loss in value to any property due to mismatched material between undamaged material and new material used to repair or replace damaged material.

15. Loss Settlement Conditions

We will pay no more than the *actual cash value* of covered damages until actual repair or replacement is complete. Once actual repair or replacement is complete, we will pay the applicable and supported *replacement cost* up to, but not in excess of, any applicable policy limits, subject to the following conditions: You must notify the Insurers of your intent to repair, rebuild or replace the property within one hundred eighty (180) days of the date of loss to recover *replacement cost*. You must also complete the repairs, rebuilds, and/or replacements within two (2) years of the date of loss (unless such requirement is waived in writing) to recover *replacement cost*. If there is an applicable law that is shorter than the two-year requirement of completing repairs, rebuilds, and/or replacement noted above, the Insured must complete the repairs, rebuilds, and/or replacements within that specific time period in order to recover *replacement cost*.

We will pay for covered damage within 30 days after we receive the sworn proof of loss, if you have complied with all of the terms of this policy, and (1) we have reached agreement with you on the amount of (2) an arbitration award has been made.

We shall have the option to take all or any part of the property at the agreed or arbitrated value, or to repair, rebuild or replace the property physically lost or damaged with other of like kind and quality, within a reasonable time, on giving notice of its intention to do so within sixty (60) days after receipt of the proof of loss herein required.

We will determine the value of Covered Property in the event of damage as follows:

- a. The total maximum limit paid in any one *occurrence* as a result of a Covered Cause of Loss regardless of the number of *locations*, coverages, or perils insured under this policy shall not exceed the lesser amount of the Actual Loss Sustained or the limit provided on the Declarations, Locations and Building Detail section, after the application of any Deductible.
- b. If one Limit of Insurance applies to two or more separate items, this condition will apply to the total of all property to which the limit applies.
- c. Unless otherwise endorsed, the property, as described below, will be valued as follows:
 - 1) Accounts Receivable: the amount owed to you which you are unable to collect from customers, and shall include:
 - a) Any collection expenses over and above the normal collection costs;
 - b) Interest charges on any loan to offset impaired collections pending repayment of such sums that cannot be collected; and
 - c) Other reasonable and necessary expenses incurred by you to recreate Accounts Receivable records.

Unearned interest and service charges on deferred payment accounts and normal credit/losses on bad debts shall be deducted in determining the recovery.

After payment of loss, all amounts you recover on Accounts Receivable for which you have been paid will belong to and will be paid to us up to the total amount of loss paid. All recoveries more than such amounts will belong to you.

In the event it is possible to reconstruct your Accounts Receivable records after they have been physically lost or damaged, so that no shortage in collection of Accounts Receivable is sustained, the only recoverable loss will be the costs of the material and the time required to reconstruct such records, with the exercise of due diligence and dispatch, but only to the extent that such amounts are not covered by any other insurance.

- 2) Contractor's tools, machinery (including spare parts and accessories), equipment and vehicles (if covered): will be valued at *actual cash value*, unless an agreed value applies.
- 3) Electronic Data and Media: the cost of the blank media, plus the costs of copying the Electronic Data and Media from back-up or from originals of a previous generation. These costs will not include research and engineering nor any costs of recreating, gathering or assembling such Electronic Data and Media. If the Electronic Data and Media is not repaired, replaced or

restored, the basis of valuation shall be the cost of the blank media. However, this policy does not insure any amount pertaining to the value of such Electronic Data and Media to you or any other party, even if such Electronic Data and Media cannot be recreated, gathered or assembled.

- 4) *Fine Arts*:
 - a) The value of the *Fine Arts* shall be the lesser of:
 - i. The cost to repair or replace the *Fine Arts*, or
 - ii. The appraised value, which will be determined as of the time of the loss.
 - (a) If a *Fine Arts* article is part of a pair or set, and a physically damaged article cannot be replaced, or cannot be repaired or restored to the condition that existed immediately prior to the loss, the appraised value will be used in the settlement of such pair or set. You will surrender the damaged pair or set.
- 5) Finished Goods manufactured by you: the regular cash selling price at the *location* where the loss occurs, less all discounts and charges to which the merchandise would have been subject had no loss occurred.
- 6) Jigs and Fixtures, dies, small tools, patterns, employees' jigs and fixtures personal property; and jigs and fixtures personal property of third parties: the *replacement cost* if *replacement cost* values have been reported and if replaced; otherwise the *actual cash value*, but not to exceed the cost to repair or replace the property with material of like kind and quality.
- 7) Leasehold Improvements and Betterments:
 - a) If repaired or replaced at your expense within two (2) years after the date of the loss, the cost to repair or replace the damaged improvements and betterments.
 - b) If not repaired or replaced within two (2) years after the date of the loss, a proportion of your original cost.

The proportionate value will be determined as follows:

 - i. Multiply the original cost by the number of days from the date of loss to the expiration of the lease; and
 - ii. Divide the amount determined in subparagraph i. above by the number of days from the installation of improvements to the expiration of the lease.
 - iii. If your lease contains a renewal option, the expiration of the renewal option period will replace the expiration of the lease in this procedure; or
 - c) Nothing, if others pay for repairs or replacement.
- 8) A party wall is a wall that separates and is common to adjoining buildings that are owned by different parties. In settling covered losses involving a party wall, we will pay a proportion of the loss to the party wall based on your interest in the wall in proportion to the interest of the owner of the adjoining building. However, if you elect to repair or replace your building and the owner of the adjoining building elects not to repair or replace that building, we will pay you the full value of the loss to the party wall, subject to all applicable policy provisions including Limits of Insurance, Loss Settlement Conditions and all other provisions and conditions of this policy. Our payment under the provisions of this paragraph does not alter any right of subrogation we may have against any entity, including the owner or insurer of the adjoining building, and does not alter the terms of the Transfer of Rights of Recovery Against Others to Us Condition in this policy.
- 9) Property for Sale: If, at the time of the loss, any real property is being offered for sale, the damage to such property will be valued at the lesser of:
 - a) The cost to repair or replace the damaged property, or

- b) The price at which the property is offered for sale less the market value of the *land*.
- 10) Raw materials, supplies and other merchandise not manufactured by you: the *replacement cost*.
- 11) *Stock in Progress*: the cost of raw materials and labor expended, plus the proper proportion of overhead charges.
- 12) Business Income Value is determined by calculating the "Average Daily Value" (ADV).
